Sophia Ainslie: *Spill without Splatter*
Oct 8 – Nov 6, 2021 at Gallery NAGA

Reception: Friday, October 8, 6 – 8pm
Sophia Ainslie Walk-through: Saturday, October 23, 2pm

Ultimately my painting is a celebration and orchestration of the visual elements and their relationship to each other. My intention is to create a visual sense of democracy between these elements—a harmonious coexistence and sense of equality. My process is a conversation of trial and error, which when successful, opens my eyes to new and surprising outcomes. – Sophia Ainslie
